WELCOME FROM THE MILLBROOK FIGURE SKATING EXECUTIVE

Welcome to the 2009-2010 skating season. We would like to welcome back our returning skaters and extend our invitation for everyone to join us at the Millbrook Figure Skating Club. We have a great coaching staff on hand to instruct your skaters in everything from first time on the ice up to our competitive and dance program.

This year the Executive is pleased to announce we are able to grant financial help to a deserving skater. If you would like to participate in this new program, please include a short letter explaining why you are requesting this grant. To ensure privacy only 2 members of the executive will read these letters and hold them in strictest confidence. Grant recipients will be notified by telephone. The grant money is to be used to help off set the registration costs. The executive is very excited to be able to offer this new program to our community.

There are several special dates that we ask you to keep in mind for our upcoming season:

Registration	August 20, 2009 6:00-8:00 at Arena
	September 8, 2009, 5:00-7:00 at Arena
Stars On Ice	January 29, 2010
Carnival & Silent Auction	March 28, 2010
MapleLodge Fundraiser	December 2, 2009
	March 3, 2010

This year we are pleased to announce a change to one of our programs for the skaters. Our Learn to Compete program is now Intro to StarSkate. All participating skaters will be given a 1 minute routine, and the choice to compete at competitions. They will present their program at our Annual Stars On Ice Show. This program will give the skaters a chance to incorporate their skills to music, and allow them to showcase their talents without the pressure of competing.

We are also including a refundable fund-raising fee of \$25 per family. This is a fully refunded fee if you help us raise money for the club by participating in one of our fundraisers. Notices of these fundraisers will be posted in the arena on our MFSC board. These funds are used by the club to help offset our registration fees which we are proud to say are the lowest around. Please donate your time to help out and feel free to talk to any of the executive members about these fundraisers.

We will also ask that you please help your club by donating some of your time and energy to help with some of our events such as carnival and our silent auction. These are all for the benefit of our kids.
